Class of 1964 Annual Letter - By now you all should have received your Class of 1964 Annual Letter prepared by Classmates Gwen Woodworth Beech Lang and Rolfe Wenner. What an outstanding job they did - thanks! I am already looking forward to receiving the 2007 edition!!!

I believe that as the only class to organize under the "Steering Committee" concept, and to remain in active contact through newsletters, the Class web site and notes from committee members, we are the only class that the College supports with an Annual Letter - thanks Juniata.

Editor's Note: If anyone did not receive the Class of 1964 Annual Letter we may have a problem with your postal address, so please contact me by email at SOSulli177@aol.com or by phone at 717-766-0621 or by postal mail at 6102 Charing Cross, Mechanicsburg, PA 17050.

March Deja Vu - Received the following comments.

Bill Chew - Without making any identification Bill said - "This one's too easy! But folks should like it!"

Dan O'Sullivan - Easy maybe, but sorry I know I should be able to identify the classmate and professor but can not. Hopefully someone else will ID them.

Mapes Andrews - The March picture is Dr. Binkley and Elaine Ake - I'm going to keep naming her until I get it right. When told Fran had stepped forward and said it was her - Mapes replied - "I took another look at the picture and I guess Fran is right so I'll just keep trying."

Elaine Ake Frazier - It is not I. I never wore glasses until 1972. I thought the person might be Carol Banse with Prof Binkley.

Fran Brumbaugh - Okay, Dan, the March Blast is a photo of the Dear Departed Dr. Binkley and...me. He was such an engaging prof (surpassed only by the Goddess at the summit of Mt Olympus, Esther Doyle). You may not want to quote this in the next newsletter, but do you remember that one of our class rented a room at the Binkley's house as a freshman and found a polite note under his door from Dr. Binkley, saying that "Mrs. Binkley would appreciate [the classmate's] not urinating with such tonal splendor"? I've NEVER forgotten it! Just can't remember WHO the talented classmate was. Are we to identify people in Jan/Feb photos, too? or has that been done?

Editor's Note: My apologies to Fran for not recognizing her! And, it is never to late for comments for prior deja vu pictures. All comments received are posted in the next newsletter, so any newsletter may have comments about several deja vu pictures.

January Deja Vu -

Fran Brumbaugh - In the January 2006 one, I'm pretty sure that's Gerry Zwick in the left center, just in front of the guy in the dark shirt with his back to the camera. Isn't that in the library?

December Deja Vu -

Fran Brumbaugh - And of course everyone must have identified Jan Peters and one of the Woodworth twins in the December one.

October Deja Vu -

Fran Brumbaugh - And Marion K on the Peace Through Knowledge float.

September Deja Vu -

Fran Brumbaugh - Isn't that BJ Miller in the plaid skirt (lower right, walking towards camera) in the Sept blast? It may be Michal Bahorik; I was thinking maybe Marjorie Stauffer, but I think not, now that you've (Dan) mentioned Michal."

August Deja Vu -

Fran Brumbaugh - And Rolfe is eying Sara in the August one.

April Deja Vu - The April Deja Vu picture has been posted - take a look and tell us who is pictured and what you remember about the event shown.

New Email Address - Susan Habecker Haupt indicated her new email address is susankenhaupt@aol.com

50th Reunion Fund Drive Advancing on Target - Terry Grove indicated - Thanks to contributions in March from Linda Cassidy Treese and Sandra Isenberg Wilbur, the 50th Reunion Fund Drive is on target to reach the two-year goal of \$12,800. But we still need about \$800 more by May 31, 2006 - the fund value is currently \$12,080.27. Thanks to everyone for the past and future support. *Editor's Note: I just sent a few extra bucks to help reach our goal for the year - hope you will consider doing the same.*

Class of 1964 Juniata Fund Status - Marion Kercher Oliver, our Class Fund Agent sent this note - "Happy Spring! Here's the latest. Currently at 41% participation (of 65% goal). Donors to date 63. Donors needed to reach 65% goal: 36. Donors needed to reach 50% and Founders Steps: **13** New donors since the March report are Mary Alice Hoover Stoops, Hal Summers, Linda Cassidy Treese, Sandy Isenberg Wilbur and Doris Dacosta Krueger. Thank You." *Editor's Note: Remember only 11 month in this contribution year for the Juniata Fund - due to the change in the contribution year at Juniata only contribution received by May 31st will count for the current fund drive - let's be sure we stay on Founders Steps!!! Just before sending this newsletter I hear from Marion that she had been emailing classmates about the May deadline and has received answers from Bob Himes, Francena Brumbaugh, Rolfe and Sara Wenner and Judy Carlton Barnett. So, we are now down to 8 more needed to stay on Founders steps.*

For Classmate Receiving Postal Version of Newsletter - Sorry, I did not intend to invent a new month call "Month" in 2005 with the March edition. My feeble mind just forgot to enter "March" in to the master format I have on the computer. Oh well, you received it in March so I guess being Juniata graduates it was not to much of a challenge to realize it was the March edition. I'll try to pay closer attention in the future.

Class of 1965 Friends Have Reunion - Thanks to a note from Janet Hess '65 that included pictures from Barbara Antes Walker '65, I became aware of the following Class of 1965 mini-reunions. In February 2006 the Class of 1965 Sophomore South Hall Gang and a mini-reunion hosted by Ron Viet '64 and Carol Patterson Viet '65 at their Poconos vacation home. Attending were Corey Bush and Sharon Edgar Bush '65, Gary Keegan and Sara Mayhew Keegan '65, Steve burger '65 and Judy Rose Burger '65, Clay Pheasant '65 and Judy Rogers Pheasant '65, Bob Walker '64 and Barbara Antes Walker '65. And, in March 2006 Juniatians Bob Walker '64, Barbara Antes Walker '65, Sandy Clemens '65 and Janet Hess '65 had a mini-reunion at the home of Bob and Barbara in Wilmington, Delaware. I have sent pictures of both reunions to Bill Chew for posting on the Class of 1964 web section of the Juniata web site.

As Paul Harvey Would Say - Here Is the Rest of the Story - John Veals provide the following insight into the Steamroller Mystery - "I noticed in the March 10, 2006 class Steering Committee letter that there was some confusion about the 'road paver mystery.' If you would like to have a detailed recollection of this event I can write it up. For a tidbit of information - The initial driver was Warren Andrews, who failed to continue his studies to the next year. I became the driver after he got stuck and continued through the two confrontations with the town police and the state police. We had been driving it back and forth for a couple of days before the crazy classmates encouraged us to head off to the girls dorm."

Editor's Note: I have suggested to John that he consider writing it up in story format to share with us and the College.

Classmate Recovering - Elaine Ake Frazier indicated - "Gerry Zwick Suvak is now home from a liver transplant. She will be confined at least until Sept. (If) some classmates would like to contact her. Her new "911" address is 10551 Buck Run Road, Huntingdon, PA 16652 but the old (PO Box) address still works."

Thanks for Input - Bill Chew, Barbara Antes Walker '65, Janet Hess '65, John Veals, Elaine Ake Frazier, Fran Brumbaugh Marion Kercher Oliver, Terry Grove, Susan Haubecker Haupt, Mapes Andrews
