

Juniata College Class of 1964 Newsletter - April 2005

CONTRIBUTION OVERSIGHT - In last month's listing of contributor to the Juniata Fund the loyal and continuing support of Marv McKown was overlooked. Not only did Marv contribute but he contributed early in the campaign - this is truly appreciated by Marion Kercher Oliver, our Class Fund Agent. The more contributions we can get early on the easier it is in June to obtain the last few needed to maintain our 50% plus participation rate. Thanks again to Marv and all those that have already contributed. And, please let me know if your name is ever missing from a contribution list so we can catch the oversights and be sure your contributions is being properly credited to our class by Juniata.

Juniata Fund Contributions - Marion Kercher Oliver provide this update on contributions to the Juniata Fund on April 6, 2005 - "Thanks to Terry Grove, Marlene Butler, Bill Crowell, Bob Shick, Ron Smelser, Judy Carleton Barnett and Sue Haupt, we **only need 18 more donors** to make the 50% participation! Also, thanks to John Gorsuch and Dave Patchen for sending additional gifts." So if you have not contributed to the annual Juniata Fund Drive send your contribution now - the contribution year ends on June 30, 2005. Remember this fund drive is separate from the 50th Reunion Fund Drive being coordinated by Terry Grove.

Betty Ann Cherry's Address - Elaine Ake Frazier provides Betty Ann's address and other news - "We were away when Mrs. Ellis died but thought some classmates might want to still send a card to Betty Ann Cherry. Her new address is 123 Woods Drive, Huntingdon, PA 16652. . . . Isn't it wonderful that Spring is here. We missed the worst snows while in FL. We didn't appreciate the traffic there though! I enjoyed the newsletter, especially hearing from Mary M . . . I had had a nice talk with her on the phone, a former I Harvey Housemate!"

A Juniata Alumni Ambassador - Although he may not know it Bob Bowers is a Juniata Alumni Ambassador volunteer **and you may be too!!!** Bob's volunteer work is documented in the following note he sent Marion Kercher Oliver and she forwarded to me - "I have a next door neighbor who is coming to Juniata next Fall, primarily because of our family talking with him. Juniata will be perfect for him and Juniata will have a very good student (#3 in his class). Admissions was very helpful when I brought forth his name....he also was awarded some great financial aid which made Juniata a real possibility for he and his family. It is nice to know that we have good people working in admissions; they kept me well informed along the way. Juniata was excellent when we were there....and I believe they are now extraordinary in providing educational opportunities to the right kind of students! Have a great Spring...I am ready....." *Editor's Note: Remember when you are talking to your friends and neighbors about Juniata as a potential college for their children and grandchildren you are performing a Juniata Volunteer act - help Juniata keep track of volunteer hours - important when requesting grants to support college programs. Please send the number of hours you spend doing this to Chris Gibboney at gibbonc@juniata.edu. An if you have any questions about admissions or applications contact Michelle Bartol, Dean of Enrollment and her staff - they do an outstanding job as indicated by Bob.*

"50th Reunion Fund Update - Terry Grove, Chairperson of the 50th Reunion Fund Committee provide the following up date on the 50th Reunion Fund for March 2005.

An additional contribution was received from Rolfe Wenner in the month of March 2005. As of April 4, 2005 10 classmates have contributed. The account total is \$5,652.68 including interest.

Class of '64 – 50th Reunion Gift – Goal \$64,000"

Editor's Note: It would be nice if we could get at least another \$750 before July - that would give us 10% of our goal in the first year of this ten year fund drive.
