### June Deja Vu -

Bill Chew - Wow, (farmer) Steven Barbash. I don't recognize/remember the lady.

Mapes Andrews - The man in the June picture is Professor Steve Barbash. I don't remember the woman's name but I believe she was in our class for a year or two.

Dan O'Sullivan - When I first saw this picture taken by Ed Burger '65 sometime between 1962 and 1965, I immediately recognized Steve Barbash and I think our classmate Nancy Eyles. Steve came to Juniata from NYC to get away from the "rush of the city" - a duck out of water that adapted quickly and loved Juniata, Huntingdon and the countryside. He was not the typical Juniata professor of that era. Remember Nancy transferred to Penn State after our Freshman year and then returned to Huntingdon. Steve was the guest speaker at the Class of 1965 reunion last year. He and Nancy are no longer married. Steve is remarried and lives in upstate New York. He brought some of his beautiful works of art to share with the Class of 1965. It was good to see him after so many years.

**July Deja Vu** - The July Deja Vu has been sent to Bill Chew for posting. Check it out and see if it brings back memories of your first days at Juniata College.

**New Email Address** - Dean Detrich has indicated his email address is now [detrich@msu.edu](mailto:detrich@msu.edu) (The word "pilot" in the previous email address has been "retired.")

**Travel Report** - Received this travel report from Rich Morgan on June 11th - "I am sending this email from a KOA in Branson, MO. In our ten days here, we enjoyed a lot of great entertainment including Andy Williams, Glen Campbell, Yakov Smirnoff and the Platters. I have attached a couple of pictures from the Platters show since I thought they might evoke some memories from the '50's. The three guys on the right are original Platters while the woman and the man on the extreme left are additions to the group. We start home tomorrow (1200 miles) and should be home in four days."

*Editor's Note: I have forwarded a collage of the pictures including the Platters and some other memories provoking shots. Take a look at the web site. Remember to send me pictures and travel reports of your summer travels to share with classmates. Send them to [SOSulli177@aol.com](mailto:SOSulli177@aol.com) Thanks!*

**Committee Tidbits** - When coordinating the annual phone conference for the Class of 1964 Steering Committee I became aware of these tidbits about the Reunion Steering Committee.

Ron Smelser - Ron indicated he will be in Germany from June 20 to August 20 on a combined teaching/research mission.

Gwen Woodworth Lang - Gwen said: "(I) will be in Pa visiting Al Beech's Mom on Thursday, June 27th. . . . We are still very much involved with Al's whole family. She is 93 and still living on her own!"

Rolfe Wenner - Rolfe is recovering from open heart surgery - but appears to be doing well since he indicated he could still help with the next Annual Class Letter in February 2007.

Gail Woodworth Mann - Gail indicated - "I had such a great time last year teaching English education practices to Chinese Middle School English teachers in Nanning (Way south) that I'm headed back there for the whole month of July."

**A Great Grandma** - At the last reunion many of you met Evelyn Pembroke, the Alumni Relations Specialist at Juniata College. She is the "life blood" of the Alumni Office - without her life would be more difficult for the staff. I was recently informed she is a Great-Grandmother. Evelyn's granddaughter Chelsea had a boy at 8:13 p.m. June 26th - a day before Evelyn's birthday - in Frederick, MD. He weighed 8 lbs. 1/2 ounce and was 21 inches long. His name is Kohen Lee. This is Evelyn's first great-grand child, Congratulations to a GRAND Great-Grandma!!!

*Editor's Note: A picture of Kohen Lee has been sent to Bill Chew for posting on the Class web site.*

**Strawberry Shortcake Ummm!** - Our Juniata College Liaison, Lisa O'Dellick pass on this note about one of our classmates - "This weekend Bob, Morgan and I went to a graduation party in Martinsburg and decided to stop and get strawberries on the way. I've had strawberries from this farm a few times in the past few weeks and they are the best I've ever tasted. I walk up to purchase some and Elaine Ake Frazier was behind the counter selling them. I didn't know that was her family's farm. We should arrange to purchase some strawberries for your next reunion. Delicious!"

*Editor's Note: Strawberry Shortcake for a reunion dessert - umm! Another good reason to mark you calendar to attend our 45th reunion in June 2009. When I called Elaine recently to coordinate the Steering Committee conference call she mention a Juniata Group had just been at the farm.*

**Class Steering Committee Conference Call** - Your Class of 1964 Steering Committee will be conducting their annual conference call later this month. If you have any items you would like us to discuss or ideas that would enhance the communication between classmates, please let me know by send an email to [SOSulli177@aol.com](mailto:SOSulli177@aol.com). Also, If you are interested in being a member of the Steering Committee and with planning class activities let me know that too!

**Thanks** - Thanks to the following for input to this newsletter - Bill Chew, Dean Detrich, Rich Morgan, Ron Smelser, Gwen Woodworth Lang, Rolfe Wenner, Gail Woodworth Mann, Chris Gibboney, Elaine Ake Frazier, Lisa O'Dellick.
