**Change of Address** – Although we still own our house at 6102 Charing Cross, I am in the process of transferring my official address to one of the condos we are buying. So please use the following for postal mail – Dan O'Sullivan, 133 West Locust Street, Unit 111, Mechanicsburg, PA 17055. Email address and phone numbers remain the same.

For anyone interested in the progress of our move, we have owned the first condo since May 15<sup>th</sup> and are fully settled in that one. It has my work area/lounge, guest bedroom, dining area and kitchen. We will close on the second condo tomorrow, September 2, 2009. It will be the primary living quarters – open plan living/dining/kitchen area, master bedroom, pantry/laundry and storage room. If you will be in the Harrisburg area give me a call (717-766-0621) and we will give you a tour of this great reuse of the 1892 and 1929 schoolhouse building.

**Official Class of 1964 45<sup>th</sup> Reunion Picture** – The Official Class of 1964 45<sup>th</sup> Reunion picture is posted on the Class section of the JC web site. But to get the names of those in the picture you need to go to the FACEBOOK GROUP Juniata College Class of 1964 and Friends. This is a great feature in FACEBOOK – you can tag those in the picture, once done, you just put your cursor on a person's picture and the name appears. With Marion Kercher Oliver's help everyone in the picture is identified.

In case you did not join when it was suggested last month, here is the guidance again.

Go to [www.facebook.com](http://www.facebook.com) - a sign up page will appear - once signed on -

To locate the Class FACEBOOK GROUP click on the icon of two people at the bottom of the screen. At the top of the next screen where it reads "Search for Groups" search for "Juniata College Class of 1964 and Friends" - it is an "open group" so it should take you right to it without any other password.

In helping Ruth Ann Saylor locate the pictures Marion further clarified with this additional guidance – “(It is a different group from the official College group.) Click on that when it comes up. Scroll all the way down (after you have joined the group and read all the interesting comments) and you will see Photos. Click on See all and Voila!

Anyone having a problem just give a yell – hey if our grandkids can master FACEBOOK we should be able to too! Maybe!!!! That is my (Dan O'Sullivan's) comment – but I have not really mastered it – Marion is much better.

**Annual Pilgrimage to Germany** – It appears Ron Smelser just returned from his annual pilgrimage to Germany since the out of office message received when I sent him the August newsletter read: “I will be out of the country from July 11 to August 22.” Hopefully he will share news and maybe some pictures related to this year's trip.

**Now That's the Idea** – Rich Morgan came up with the right way to deal with all the new means of communication – when in doubt ask ... well you can read his comment. “I was sorry to read about the death of Phil Thomas, he was a class act. One of my goals this week is to attempt FACEBOOK. My daughter works as the IT person for a bank chain near Philadelphia, so she will be able to help me. If not, there is always my thirteen year old granddaughter; kids that age are so wise in such things.”

As an aside, I (Dan O'Sullivan) contend that within five years there will be no keyboard in front of most computers. People will be using a wireless instrument much like a cell phone to “thumb” the text into documents. Did you know text is now both a noun and a verb in the standard dictionary?

**Juniata College is in Good Hands** – Go to the following web site for a great summary of the Class of 2013 who will begin attending Juniata this month - <http://www.juniata.edu/magazine/opera-singers-to-quilters-juniata-colleges-class-of-2013/>

**Twins Update** – Gawn Woodworth Lang provided this update on her sister Gail and herself – “Gail is still a nomad...home from China and with her daughter in Md who just had a 3rd child. Summer is fleeting, but it is finally nice up here (in New England) and we are enjoying it to the hilt. Our son and wife just moved into a 200 yr old home that is only 5 miles from us....they were living in Boston, and were ready to settle in the country.. it will be nice to have them near by....and we can help here and there with stuff..never a dull moment!:

**On the Road Again** – Rich and Marilyn Rear Morgan are on the road again after Labor Day. This excursion will take them to New England. Hope they take some pictures to share, especially of the great Maine coast.

**Blue Book Exam Questions** - At the 40th Reunion in 2004 Bill Chew helped prepare a Blue Book Exam for the Reunion. It asked questions about the History and Lore of Juniata College in the early 1960s. To try to get some interaction started on Class of 1964 and Friends FACEBOOK group site I will be posting the questions one at a time. No new question until the latest question is answered. Please add any related comments to each question.

Those attending the reunion received the answers after the "Exam" was given on Saturday night at the 40th Reunion. Also, Mapes Andrews pointed out that the "Exam" and answers are on the Class of 1964 section of the Juniata web site.

**NO CHEATING AND GOING TO THE ABOVE REFERENCES FOR THE ANSWERS UNTIL AT LEAST A WEEK AFTER EACH QUESTION IS POSTED!!!**

**Heberling's and Rockwell's Enjoyed the Reunion** - Elaine Ake Frazier passed on these words - "We received the nicest thank you notes from the Heberlings and the Rockwells concerning our class reunions. The Heberlings especially stressed how welcomed they felt by all the classes of the 60's. Paul stated they were his favorite classes during his tenure at JC. He also told of attending only one class reunion they had at PSU but never went back. Juniata has special alumni. Some upsetting news from Louise, his wife. She was recently diagnosed with breast cancer after our reunion. She is having chemo I believe.

**Travel News** – Mamie Shick mentioned she and Bob took an August trip to Minnesota with stops at a friend's lakeside home in Indiana and a stop at Clear Lake, Iowa. While in Minnesota Bob got in some fishing on Lake Superior. Pictures of the trip have been posted on the Juniata College Class of 1964 and Friends FACEBOOK group section and a collage forwarded to Bill Chew for posting on the Class of 1964 section of the Juniata web site.

**Is the Next Reunion Really the 50th?** - I received a reminder that we are in the early stages leading up to our 50th Reunion when I received a call from Sally Oberle, Juniata Development Office, to talk about the Class of 1964 becoming part of the 50th Reunion Commission. Of course, I guided her to Terry Grove, who five years ago established our own "commission" or committee to address 50th Reunion Fund Drive.

Juniata's President's Commission on 50th Reunion Giving is made up of class members from the next five classes to achieve that milestone. Sally mentioned that the commission addresses many aspects of the 50th reunion celebration. She provided the following explanation:

"We are hosting a planning/training session called the President's Commission on 50th Reunion Giving that will be held on campus October 29 and 30 (the start of Homecoming/Family Weekend at Juniata). Our intention is to gather representatives from the classes of 1960 through 1964 to discuss 50th reunion projects and provide training to support goals. Some members of the Class of 1959 will share their experiences."

Once it is determined those that will represent our class on this commission, I will let you know who they are, and I will periodically provide updates on their activities, if provided to me.
